

PR:O 210 Sub A

Available in passive and powered versions, the Premium PR:O 210 provides perfect low-end reinforcement for all PR:O satellites. Housed in a bass reflex enclosure, the two 10" speakers pack a powerful punch and deliver low-ranging bass response that is sure to impress and amaze. Remarkably portable, handy, and versatile, it weighs less than 27 kg. This cab may be paired in various configurations with PR:O satellites to set up a powerful yet inconspicuous system that delivers outstanding performance and leaves a small footprint. Best of all, this system is so easy to handle that you can dial in the sound you seek in no time at all.
